DiversCity in Law *A City law graduate recruitment event for LGBT candidates*

Where?

Herbert Smith Freehills LLP
Exchange House
Primrose Street
London EC2A 2EG

Reasonable travel expenses will be covered for this event

When?

12pm–7pm, Tuesday 9 December 2014

What?

An afternoon of seminars and networking opportunities for lesbian, gay, bisexual and transgender students interested in a career as a lawyer in the City. The event will include a review of City law firms, talks from successful LGBT City lawyers and careers skills workshops. This is a great opportunity to talk to representatives from some of the top firms about what it's like to be out in the City and find out more about the graduate recruitment process. This event is unique as it also offers all attendees the chance to be individually mentored by an LGBT lawyer from one of the participating firms, giving you an inside track.

For further details and an application form, email contactus@diverscityinlaw.com or visit the graduate recruitment website of any of the participating law firms.

Why?

We'll let former participants at DiversCity explain...

'DiversCity provides a crucial forum to show what the experience of LGBT lawyers is really like. I found the networking session particularly useful since it afforded a great opportunity to ask everything you want to know about life as an LGBT lawyer that you were afraid to ask or weren't sure how to find out.'

'I would really recommend attending DiversCity. It's a unique opportunity to meet LGBT lawyers from a wide variety of law firms. The event provides a great opportunity to network both with current lawyers and other students. I gained some great tips about what law firms are looking for in applicants as well as a real confidence boost from meeting people who have been there and done it before me.'

We hope to see you there!
